12. Institute B4

We collaborate across the arts, using design and technology to explore ideas and develop the media that will communicate the ideas of the future. Institute connects ideas to audiences. As our cultures continues to evolve within a rapidly changing world, we explore the nature of ideas and the media technology that will carry the ideas of tomorrow. The research of our network of artists, designers and technologists, explores the cultural nature of ideas, examines the media of tomorrow and helps businesses to become brands.

Institute, Upper Rooms,
Baxter Gate, Loughborough,
LE11 1TG

Open Monday – Friday
9am-5pm, by appointment.
Exhibitions and classes dates will be made available via social media.
