

Cut-out and make your own Sandcastle

You will need:

Thin card

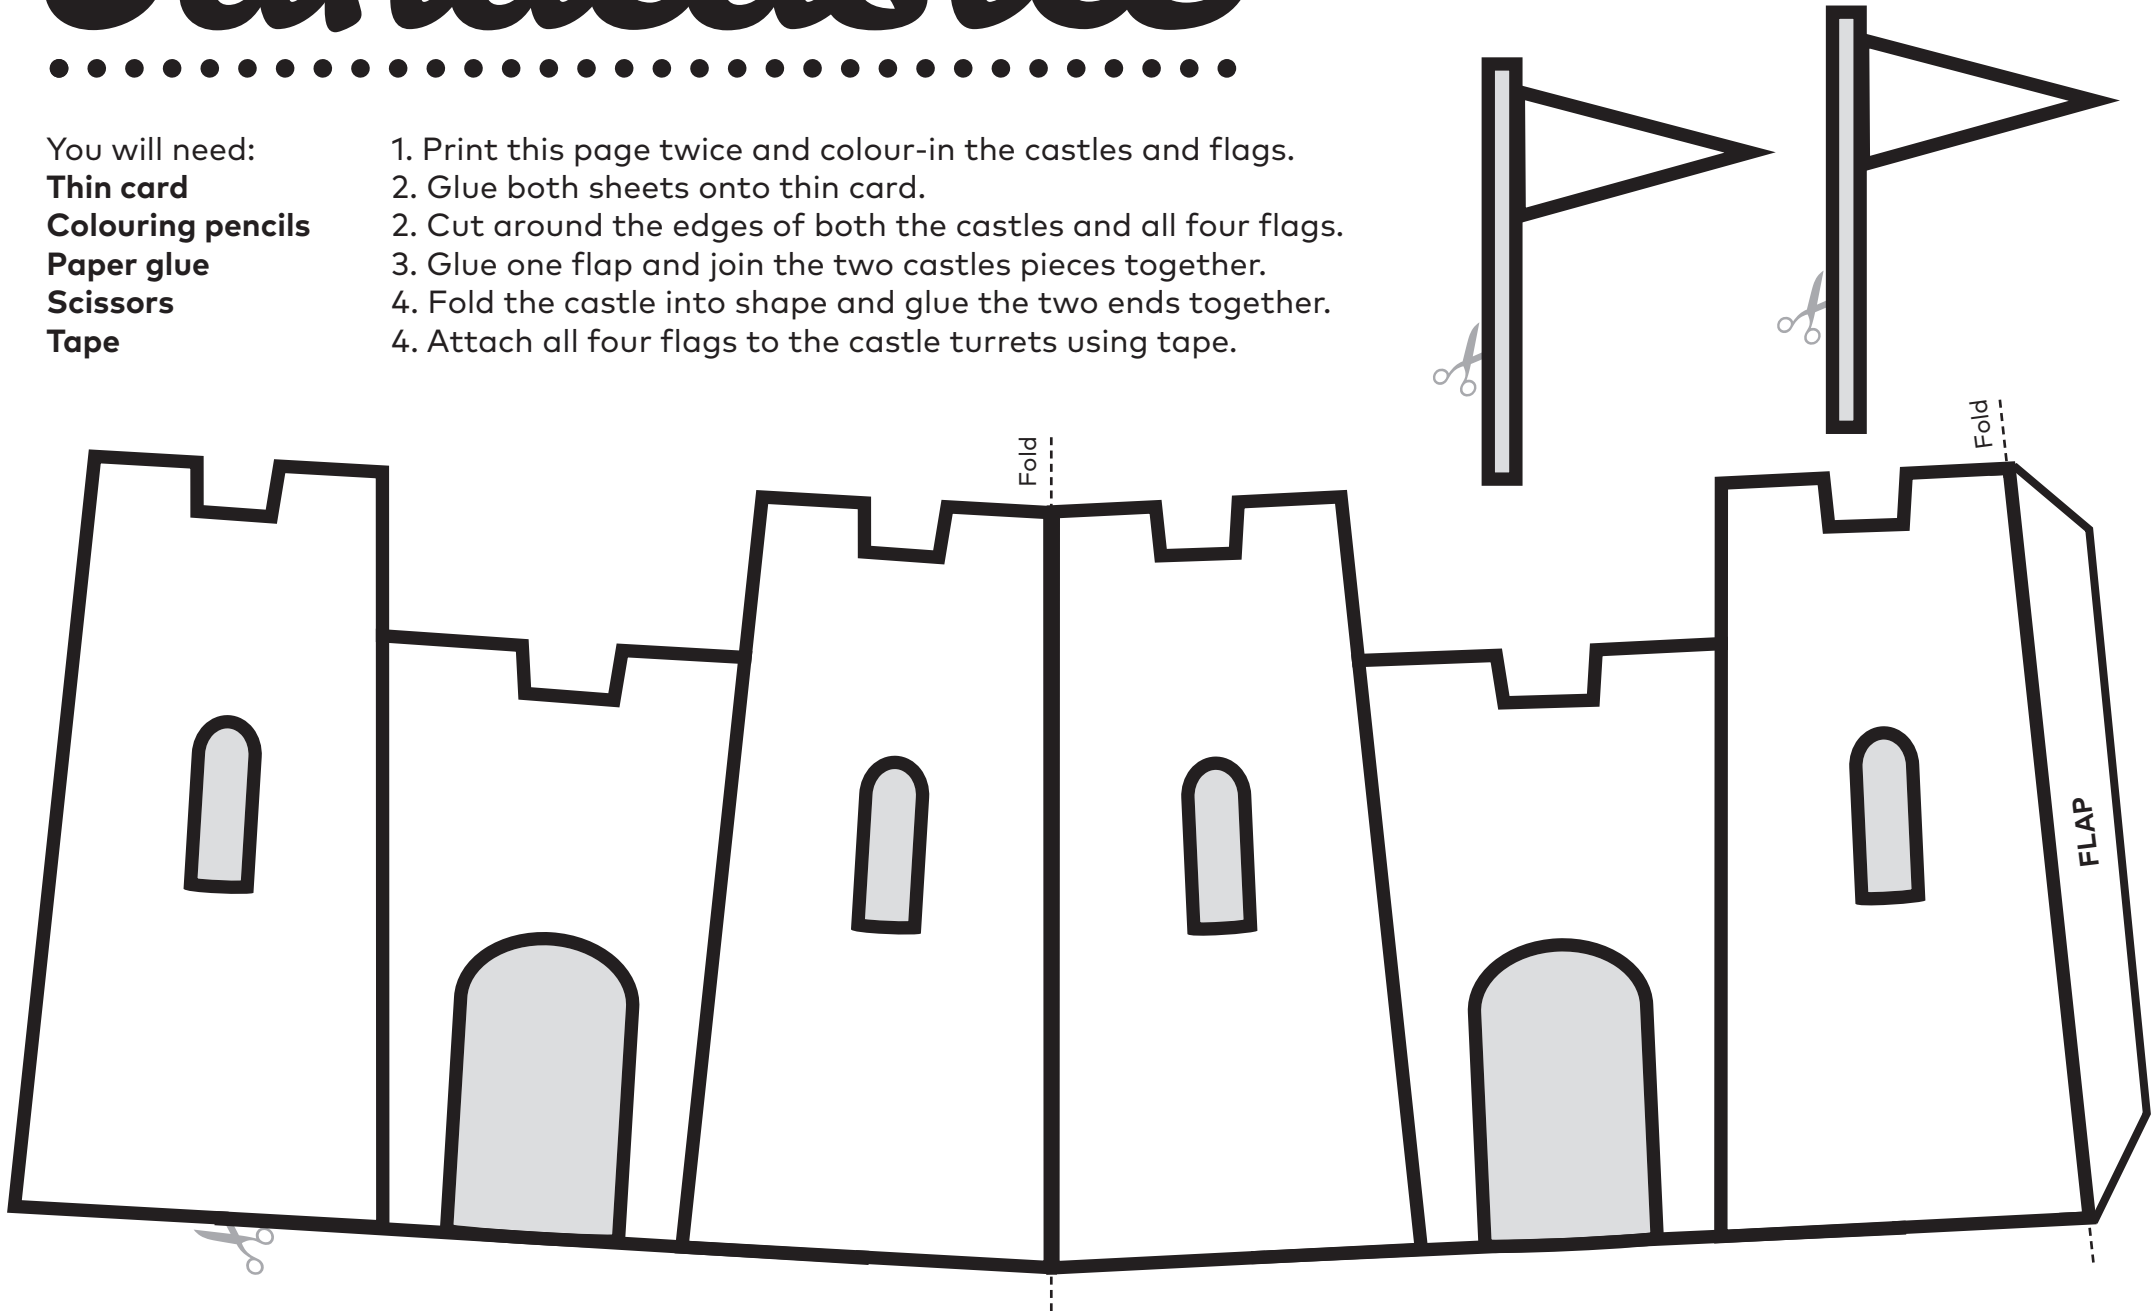

Colouring pencils

Paper glue

Scissors

Tape

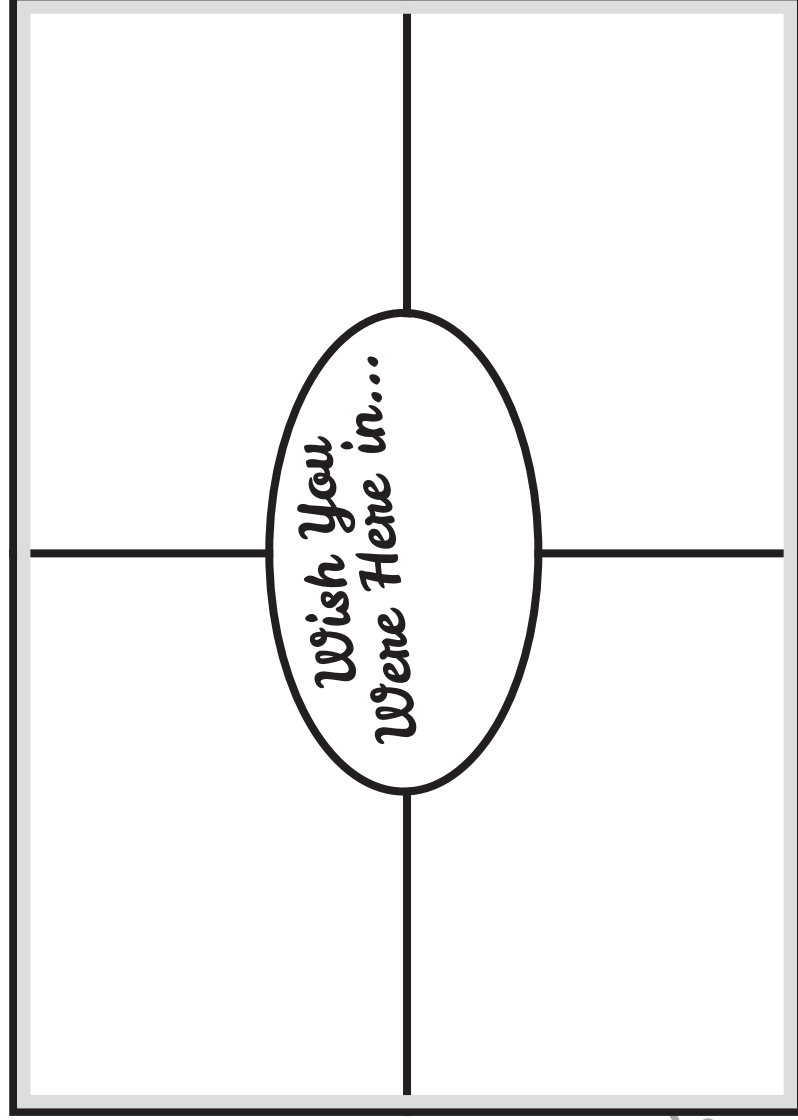

1. Print this page twice and colour-in the castles and flags.
2. Glue both sheets onto thin card.
2. Cut around the edges of both the castles and all four flags.
3. Glue one flap and join the two castles pieces together.
4. Fold the castle into shape and glue the two ends together.
4. Attach all four flags to the castle turrets using tape.

Cut-out and make your own Postcard

.....

You will need:
Thin card
Colouring pencils
Paper glue
Scissors

1. Print this page and glue it onto thin card.
2. Draw pictures on the front of your postcard of somewhere you have visited over your summer holiday.
3. Cut around the edges of both sides of the postcard and stick them back-to-back with glue.

4. In the lined space on the left side, write about what you did on your holiday.

You could try posting the postcard to a friend or a family member.

5. On the right side, write your address and attach a stamp. Then take it to a postbox.
